The Superintendent's explanation is not very satisfactory. Under Art 162 of the Office Manual he is responsible to see that the drafts & notes put up by the Branch are correctly & properly prepared. He may therefore be warned to be more careful in future.

As the Superintendent of the Land Act has taken action for election of members from this area elsewhere, necessary amendments may perhaps issue very early.

Explanation.

As regards omission of Sub clause iii in the printed judgment I beg respectfully to submit that neither the draft nor the fair copy passed through me and so had no opportunity to possibly observe this omission. Similarly in regard to the omission of the word "draft."

As regards why I did not point out the 1st mistake in an earlier stage or when correcting the draft order so as to bring it in to line with the corrections suggested by the Secy I cannot but admit that in the pressure of my

To

Secretary to the Government of His Highness the Maharaja
of Mysore, Local & Legislative Departments, Bangalore.

Sir,

With reference to Government Notification No. L.6868-L.B.9-25-11 dated the 8th May 1926 sanctioning amendment of Government Notification No. L.7846Ml.156-21-21 dated 2nd April 1924 so far as it relates to the return of four non-official gentlemen to the K.G.F. Sanitary Board from among the rate payers of the Local area under the Sanitary Board and authorising the appointment of these gentlemen by election, I have the honour to state that the Rules framed and approved in Government Notification No. L. 6867- L.B.9-25-10 dated 8th May 1926, for regulating elections, apply only to the election of members of Robertsonpet and Andersonpet, and do not seem to have any application for conducting elections in the rural area other than Robertsonpet and Andersonpet.

I would therefore request to be informed as to how and under what Rules the election of a member representing rural area has to be conducted and whether the rules now approved can also be made applicable to the rural area.

As the term of the existing four members expires on the 30th June 1926, the matter may kindly be treated as urgent and early orders passed.

I have the honour to be,
